Sea Explorers Prepare For Summertime

Sea Explorers combine work with pleasure, as weekly tug of war is held at Monday night meetings.

Members of crew one, under the direction of mate Charles Bugden, inspect sail for winter overhaul.

should be well experienced in their job.

Skipper Bill Caldwell plans to have all the boys set up in four well trained crews. Each crew will have members that are qualified in different basic skills so that on each sailing cruise the boat will be well manned.

Current members of ship 301 include Richard Wilson, John Lacarte, Jim Fitzgerald, Nelson Pindari, Bill Hayward, Carl Hansen, Denis Hall, John Milton, Kevin Wells, Peter Lanziello, Kevin Day, Kevin Kelly, Kenney Read, Kevin Judge, and Frank Marrec.

Arlington's Sea Explorer Ship 301 must prepare and train for the coming boating season.

Each week the local scouts perform maintenance work on the removable parts on the boat and in the classroom learn the fundamentals of boating. Classes are currently being held on engines, small boat handling, seamanship and navigation.

Before the summer season begins each boy will be qualified as an apprentice, able or ordinary seaman and by the time summer is over they

Six Seek Selectmen Posts

Six candidates are now in the race for Selectmen and another half dozen in the contest for School Committee with the final date for filing papers, Saturday, at 5 p.m.

Selectmen candidates now include: incumbents Joseph P. Greeley and Horace H. Homer and candidates John W. Bullock, Christopher J. Cammarata, Harold G. Nelson, Jr. and Chester J. O'Brien.

School Committee candidates include incumbents Dr. Mary K. Carter, Arthur F. Coughlin, Jr., and Claire C. O'Neil.

Also seeking election are Edward J. Barrett, Eugene J. Kirby and Robert H. Murray.

Two candidates seek the Assessors spot — incumbent John B. Byrne, Jr. and John F. Mahoney.

Running without opposition at press time were Town Clerk Mary Farrington; Treasurer-Collector Francis A. Coughlin and Housing Authority incumbent John J. Hogan.

Some Future Highlights

Listed here are some of the highlights of the Town Warrant not covered in other stories in this week's issue:

- A request to amend the Town Manager Act limiting the Board of Selectmen to three terms.
- Appointment of an Election Officer Review Committee.
- A request to cut the size of the School Committee from nine to seven members.
- A requested appropriation for refuse disposal facilities.
- Request for appropriation in connection with using Meadowbrook Park for sanitary fill purposes.
- Request for appropriation in connection with using the Magnolia st. area for sanitary fill purposes.
- Request to raze the former Center R.R. Station and create a parking area at location.
- Grant permission to the Selectmen to negotiate with property owners in general area of former R.R. Station in connection with one large parking lot.
- Request for referendum at next Town Election in connection with Selectmen's salaries.

Seek Department of Planning, Development

As residents of Arlington, we are all concerned with the increasing tax rate. At the same time, we must also stop and ask why this is happening and what can be done to prevent this continual rise. To accomplish this, the Selectmen and the Town Manager have after considerable discussion concluded that a new department of planning and community development should be created to develop and implement programs which will attempt to strengthen Arlington's position as a desirable residential community and to broaden Arlington's tax base.

In recent years, we have developed a comprehensive plan for the entire town as well as a specific plan for our central business district. To date, too little has been done to implement these plans. We have by now learned that it is of little value to develop plans if these plans are not implemented. Consequently, it is our intention in creating this new department of planning and community development to combine the department which is essentially involved in planning with those departments which play a significant role in implementing those plans.

Essentially, our proposal attempts to reorganize the

\$16,134 to Fund
A number of communities across the nation are organizing departments of urban development. While these new departments vary a great deal as to their assigned functions, the common theme of building a better community exists. At the state level, a new department of community affairs has been established, responsible to the Governor. At

the federal level, a new cabinet role—the department of housing and urban development—has been created, responsible to the President. To some degree, our suggestions of a department of planning and community development responsible to the town manager is a parallel to what the state and federal government have done.

At present, the planning department is funded through the planning board budget while each of the various inspection departments has its own budget. Eventually, this reorganization will consolidate all of these departments into a single department with a combined budget thus reducing the confusion and overlapping which often results from several small departments each with its own budget and each performing its own function.

The additional amount necessary to fund this department in its first year of operation is \$16,134.00. While recognizing that this is a considerable expenditure to add to the town's operating budget, we must also look at what results we can reasonably expect in time from this reorganization. First, any thrust which this department might give to the strengthening of Arlington's tax base will help relieve the property tax load which we all experience whether as property owners or as renters. Second, the town has not to date applied for federal funds which are available in many categories, principally because we could not comply with federal regulations requiring certain types of personnel in specific numbers who are qualified to perform all the required functions as well as to demonstrate that the town had the

proper personnel to oversee and administer federally approved projects. This new department will help us to qualify for federal funding and thus open up a new and not to be neglected source of revenue to the town. Third and most important, a hard overall look at the town will help us to better analyze the services which the town is now providing, or which perhaps the town should provide, in order to deliver these services

as efficiently and effectively as possible.

Believe in Consolidation

In conclusion, we want to maintain our high standards and we sincerely feel we should:

1. See to it that further development in our community is according to a comprehensive plan for community development;
2. See to it that our communi-

Still T.M. Vacancies

Town Clerk Mary A. Farrington announced this week that on Jan. 18, at 5 p.m., the late date and hour for candidates for re-election as Town Meeting Member to file written notice of their intention, there were 111 candidates for the 89 town meeting member vacancies to be filled at the coming Annual Town Election on Saturday, March 1. Included in the number of candidates are 63 candidates for re-election for three year terms.

At this writing Precincts 1, 7, 13 and 14 lack a sufficient number of candidates to fill the existing Town Meeting Member vacancies.

Following is a breakdown by precincts of the vacancies and candidates:

Precinct	3-year Vacancies	2-year Candidates	1-year Candidates	1-year Candidates	1-year Candidates

No nomination papers will be issued after Thursday, January 23, and they may be obtained only by candidates or persons presenting signed authorizations of such candidates to secure such papers.

Saturday, January 25 at 5 p.m. is the final date and hour for filing nomination papers for all town offices, including town meeting members, with the Registrars of Voters for the certification of signatures. The Town Clerk's Office will be open all that day, also.

Receive News On Sanitary Fill

The Magnolia st. area would be the last alternative for sanitary landfill after the presently used Summer st. disposal area, and the proposed Meadowbrook area have been completed.

This was the information received from the State Dept. of Health from Town officials. A hearing on the matter was held earlier.

The communication relative to the assignment of town-owned land in the vicinity of Magnolia st. and Thorndike st. also state that they had voted to modify the assignment of this site, to require that if this area is used for refuse disposal, the sanitary landfill method be used with all refuse being thoroughly compacted and covered daily with a minimum of six inches of clean cover material.

Town Manager Donald R. Marquis has stated that according to the information he now has there is only two months of use at the Summer st. site.

Meanwhile Meadowbrook has been cleared for use by the State and by the local Board of Health. However, a

About The Jaycees

The headquarters of The United States Jaycees is in Tulsa, Oklahoma.

The Jaycees is a civic organization working for community betterment open to all young men 21 through 35 years of age.

Wendell E. Smith, Plymouth, Michigan, is President of The United States Jaycees.

The first Jaycee organization was formed in October of 1915 at the Mission Inn, St. Louis, Mo.

Jaycees, now more than a quarter of a million strong, work for community betterment in 6,300 communities in the nation.

The 48th annual convention of The United States Jaycees will be in Louisville, Kentucky next June.

There is no official connection between the U. S. Chamber of Commerce and The U. S. Jaycees, formerly the U. S. Junior Chamber of Commerce, but the two organizations cooperate in many instances.

The Arlington Jaycees were chartered in January of 1967.

The Mass. Jaycees consist of representatives of the 112 local Jaycee chapters in the Commonwealth.

— PROCLAMATION —

WHEREAS, The United States Jaycees were founded in St. Louis, Missouri, and

WHEREAS, The United States Jaycees subscribe to the following principles:

That faith in God gives meaning and purpose to human life,

That the brotherhood of man transcends the sovereignty of nations,

That economic justice can best be won by free men through free enterprise,

That government should be of laws, rather than of men,

That earth's great treasure lies in the human personality, and

That service to humanity is the best work of life, and

WHEREAS, The United States Jaycees are represented in this community by their affiliate, the "Arlington Jaycees", and

WHEREAS, The Arlington Jaycees, have, by their action, demonstrated their interest in the civic betterment of this community, and

WHEREAS, His Excellency, John A. Volpe, Governor of the Commonwealth of Massachusetts, has proclaimed the week of January 19 through January 25, 1969, Jaycee Week in the Commonwealth.

NOW, THEREFORE, We, the Board of Selectmen of the Town of Arlington, do hereby proclaim the week of January 19 to January 25, 1969, as "Arlington Jaycee Recognition Week", and urge all citizens of the Town to take due notice of the Jaycees and their efforts in behalf of the community.

Hold Teenage Dance

The Arlington Young Adult Chapter of the March of Dimes will sponsor a teenage dance, Feb. 1 at the Arlington Town Hall.

The dance will be in progress from 7:30 to 11 p.m. and all proceeds will be used by the March of Dimes to aid those children stricken by birth defects.

The dance committee, primarily composed of members of St. Jerome's C.Y.O. and under the supervision of co-chairmen Lillian Leone and Edna Varnum, has been donated services and products by many community interests and individuals who wish to help make the dance a success.

Among these benefactors are The Playtime (poster-board for publicity) and a group of ladies who will provide the refreshments.

Members of the dance committee include Robert Leone, Doreen O'Neill, Donna O'Neill, William McKeon, Carolyn DiBase, Michelle Hurley, Pat Hurley, Tim Horgan, Marr Horgan, Leo Lahiff, Donna Catanzano, Angela Tonetti and Sylvanna Tonnetti.

This year, the committee has obtained the services of two local teen bands, The London Chimes, pictured above, and the Messenger's Request. The London Chimes feature the following: Paul Foisy, or-

gan; Bob Rotundi, lead singer, rhythm guitar; Rick Ianelli, lead guitar; Marc Doyle, base guitar; and Steve Iomosimo, drums.

The Chimes' selection includes psychedelic sounds mingled with occasional folk-rock ballads. The Messenger's Request is a younger group which promises to be exciting and distinctive. This band's members are Joe Pacheco, Joe Tortelli, Jack Tortelli, and Tom O'Connell.

Tickets will be sold the week of Jan. 27 at ACHS and AHS every day after school. Refreshments will be sold and school dress (minus ties) is required.

TWO ON REFERENDUM
The Annual Town Warrant containing some 113 articles also has two referendum questions.

One is in connection with a 42-hour week for firemen.

The second is in connection with the return of dividends received by the town in connection with insurance to employees.

Approve Permit
Selectmen Monday night approved the request of the Rotary Club to present a concert at the Lowe auditorium, March 9, from 1 to 5 p.m.

DID YOU KNOW?
An article inserted in this year's Town Warrant asks for a change in the Town by-laws, Section 5, Article 9 which now only allows baby carriages to travel on the sidewalks of the community.

The requested change would also allow some sizes of bicycles and tricycles the right of travel.

Plan Annual Meeting

The annual meeting of the Arlington Visiting Nursing Association, to which the public is invited, will be held this year, Jan. 24, at 1:15 p.m. in the Junior Library Hall.

The president of the Association, Mrs. Donald Petette, will preside at a brief business meeting to be followed by the program and a social hour.

The speaker, Mr. Charles T. Wood, is the Director of the Massachusetts Eye and Ear Infirmary, and he will present information concerning that great institution.

The Arlington Visiting Nursing Association, which is supported in part by Red Feather, provides home nursing care for the sick, instruction in nursing in the home, and health education. Its nursing staff, with headquarters at 1026 Mass. ave. consists of Mrs. Lee Lanza, Supervisor, Mrs. Dorothy Hurd, Mrs.

How about that—113 articles and two questions. This is the Warrant for the 1969 Town Meeting.

It is a record-breaker and there is little doubt that the amount of time consumed handling such a Warrant will break some endurance records at the Town Meeting next March.

There have been some long Warrants in the past—and the total number has gone over the 100 mark previously, but the situation was a bit different during these other times.

Last year's Warrant numbered just 85, a mere handful when compared to the present Warrant.

However, it might be noted that a Special Town Meeting was called at a later date to take action on another dozen articles—some of which are included in the present Warrant in similar form.

During other years when the number of articles was large, there were usually a great number of zoning articles—articles relative to zoning changes in the town.

However, it might be mentioned here that there is but one zoning article in this year's Warrant.

There are a number of raise requests in this year's Warrant, plus a number of conservation articles.

Yes sir, it could be a long, long spring for Town Meeting members as they determine what to do in the best interests of the community.

The school articles will without doubt cause more than their share of discussion at T.M. time.

Requests for plans, committees to look into plans, etc. and etc., all classified under the title of future construction for the Town will no doubt get a long, hard look.

This is particularly true in such circumstances as at the Peirce school where three bus loads of youngsters travel to other school buildings now, with the possibility that this may increase to five a year hence.

To the potential candidates—don't forget that Saturday is the final date to file those papers.

Appropriation to study creation of Charter Commission.

ACHS Rolls to Easy 9-1 Victory; AHS Stunned by Medford

A 6-0 win by Arlington Catholic in the opening round of the Catholic hockey tourney, and a 2-1 victory over St. Mary's of Lynn in the semi-finals, gave the Carney coached club the right to meet Xaverian of Westwood for the Catholic Class "B" title.

The Xaverian team, a power house in sports in the Catholic leagues, defeated previously undefeated Xavier to make the finals. Coach Bob Richards has the Xaverian boys hustling and his team has moved into third place in the Catholic league after losses to Arlington Catholic and Xavier. Xavier holds a 6-3 win over the Arlington Catholic team, the team's only loss this year.

On Jan. 5, in a regular league game, Arlington Catholic defeated Xaverian 5-0 as John Quanci had a great day in the nets, turning aside many difficult shots from a hustling Xaverian forward line. John did a fine job for his team Monday night, just missing a shutout.

Larry Fenton's rifle shot midway through the second period was the only stop the ever alert A. C. goalie failed to make.

Coach John Carney will start the following line-up. Quanci in the net, Dennis Vilandry at center ice, with the Coleman brothers, Scotty and John, on the wings, and the two Co-Captains, John Ready and Phil McDougal on defense.

Larry Babine, the swing defenseman and center ice man for face-offs in the corners, may start if either McDougal or Ready, who have been out with injuries, are not up to par.

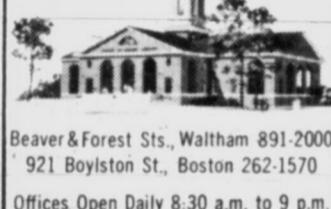

Faceoff is set for 7 p.m. at McHugh Forum, the Boston College Rink.

by Bob Morello

EMMETTE BRYANT
Height—6'1" Weight—175
Born—November 4, 1939
College—De Paul, '64
Home—Cambria Hts., N. Y.

Emmette, the newest veteran member of the Celtics, played for four years in a secondary role with the New York Knickerbockers before being picked up in the expansion draft by the Phoenix Suns. The Celts gave up a high draft choice in 1969 for Bryant who thus far this season appears to be ideal for Boston's needs.

With the loss of Sam Jones at the end of this season, Emmette seems to have the steady skills of a sound backcourtman to help fill the void that will be left by Sam's departure. He has outstanding speed, great hands and is rated as perhaps the best ballhandler in the pros.

With the Knicks he carried a six points plus scoring average for four years with better than 730 assists. His best year as a pro was 1966-67 when, despite an injured knee, he tallied 546 points for an 8.7 per game average and had 273 assists.

Sophomore Jim Lyons scored 19 points and played a fine defensive game as Arlington Catholic beat the Columbus hoopsters Friday night, 65-42.

Lyons Stars In ACHS Victory

The intown school had a three point lead at the end of the first period and were ahead at half time 32-25.

In the third period Coach Dick Broderick's boys put on a good scoring show as the team scored 21 points and held Columbus to a total of five.

The Arlington Catholic defense in the last period again held their opponents to five points in the best defensive effort the team has shown all season.

The Pistons tripped the Knicks 31-19. The Celtics, led by Chris O'Keefe's overall play, defeated both the Knicks and Bullets by the same scores 32-16. In the Western Division, the Suns and Warriors are tied for the league lead. The Suns beat the Bucks 15-7, but lost to the Warriors 17-16.

The Warriors, also led by Bob Guanci tripped the Bulls 17-8, while the Bucks won their first game of the season by squeezing by the Hawks 7-5. The Lakers forfeited to the Bulls 2-0 but beat the Hawks 13-3, led by Chris Tyrell.

In basketball, the Royals, Eastern Division leader, are still undefeated as they defeated the Bullets 52-12, led by Bobby Donovan, and rolled over the 76ers 44-15, while the 76ers bounced back, led by Terry Regan, defeat the Pistons 33-12.

The double figures for ACHS were: Jim Lyons, 19; Capt. Bill Lyons, 13; Mike Frazer, 11, and Leo O'Brien, 14 points. The team posted a win over St. Mary's of Lynn earlier in the week and have hopes of keeping their win streak going after getting off to a bad start.

In Full Swing

The Fidelity House basketball and hockey seasons are now in full swing with the following results:

In basketball, the Royals, Eastern Division leader, are still undefeated as they defeated the Bullets 52-12, led by Bobby Donovan, and rolled over the 76ers 44-15, while the 76ers bounced back, led by Terry Regan, defeat the Pistons 33-12.

The double figures for ACHS were: Jim Lyons, 19; Capt. Bill Lyons, 13; Mike Frazer, 11, and Leo O'Brien, 14 points. The team posted a win over St. Mary's of Lynn earlier in the week and have hopes of keeping their win streak going after getting off to a bad start.

"Jon is one of the real sparkplugs on this squad."

Two Arlington boys, Jon Deveaux, pictured above, and Paul Fitzpatrick, are playing regular roles for the Yale varsity hockey team this season.

Deveaux, a junior, is one of the only four juniors and seniors on this sophomore-dominated squad. A hustling left wing who is called "the elder statesman" by his teammates, Jon is in his second year as a varsity regular.

The 5-9, 170-pounder, a former three-sport standout at Arlington High, missed the first two games of the season with a fractured wrist. He had to scramble to win back his position, and since then has tallied one goal and three assists. As a sophomore, Deveaux had three goals, five assists.

"Jon is one of the real sparkplugs on this squad."

Girls Win Two

The AHS girls' basketball team scored two more victories this past week defeating Stoneham 42-18 and Watertown 55-17.

In junior varsity action the Arlington team also continued undefeated with a 23-13 victory over Stoneham J.V. and a 28-19 victory over Watertown J.V.

In the game against Stoneham on Jan. 16 Ginny Barnaby turned in one of the finest individual performances by an Arlington player in recent years. Not only did she lead all scorers with 18 points but her efforts on defense were impressive.

She blocked and then stole at least a dozen passes from the Stoneham defense as they attempted to get the ball to their front court.

Statistics kept by the players on the side line credited Ginny with 15 rebounds and three assists to indicate a good day's work for the senior co-captain.

The Penguins took over second place, led by Bernice Gardner's goal, to squeeze by the last place Flyers 1-0, while the North Stars, led by Bob Leahy's two goals, beat the Kings 2-0 and tied the Blues 1-1. The Kings topped the Flyers 2-0.

AHS Frosh Win Seventh In Row

Rick Jackson, the freshman goalie, shut out Malden High freshmen 6-0 Saturday morning at the Arena for the seventh straight win for the AHS team.

There was no scoring in opening period.

Coach Bob Carr's boys tallied three times in both the second and third periods.

Credited with goals were: Maury Corkery, Peter Crocker, the Flanagan twins, Pat and Mike Jeff Corbett and Peter Noonan.

The team will try to win game number eight, against Malden Catholic, Saturday morning, at 7 a.m.

A pair of second period goals gave Medford its second win over the Arlington High hockey team Saturday afternoon by a 2-1 score.

Tom Devaux put Arlington out ahead in the opening period at 1:25 on a backhand shot that beat goalie Bob Henry for Arlington's lone tally of the day. Peter Flanagan had an assist on the goal. The period ended with the Red and Gray ahead 1-0.

In the second period the Mustangs scored twice, with the first goal coming at 3:40 on a great scoring effort by Devaux. Steeves had assists on both of Medford's scores. Less than two minutes later Webb, with assists to Steeves and Harris, Medford scored what proved to be the winning goal.

Bob Henry kept Medford in the game as Arlington stormed the goal early in the second period, but failed to score.

Midway in the middle stanza Medford seemed to get new life and outplayed and out-hustled the local boys.

It was Arlington's second loss this season, both to the Mustangs, and have yet to beat the Boudreau coached team.

Last season Medford won the season's opener from the Spy Ponders and held them to a tie in the second game.

Brookline and Medford are tied at the top of the league with 7-1 records, followed by Arlington, 6-2. Waltham, the fourth place team is Arlington's opponent this Saturday.

Brockton Wins 71-49

Bob Cuccio with 20 points was Arlington High's top scorer as the basketball team lost to Brockton Friday night, 71-49.

Capt. Dave O'Leary was double teamed by the Brockton defense and held to his lowest point total of the season.

The great coverage the Brockton defense gave the Arlington captain is a fine tribute to his scoring ability. Dave had 44 points against Rindge and is one of the league's leading scorers.

Arlington was in the game 'till the last three minutes as the scoreboard showed, Brockton leading by only seven points. In the last three minutes the Brockton forwards came up with 14 points and the Shoe City team moved into first place in the league standings. Brookline plays here this Friday night.

THE LIFE BLOOD of Angela Mahesh, 4, of Augusta, Ga., flows from the veins of countless donors. The victim of a rare birth defect called thalassemia, a hereditary anemia, she survives thanks to a blood transfusion every three weeks at the March of Dimes-financed Birth Defects Center at the Medical College of Georgia, Augusta. Shown administering the transfusion is Dr. Dorothy A. Hahn.

At more than 100 March of Dimes Birth Defects Centers across the nation, teams of medical experts strive to correct or moderate nature's mistakes to give these children their chance for useful, satisfying lives.

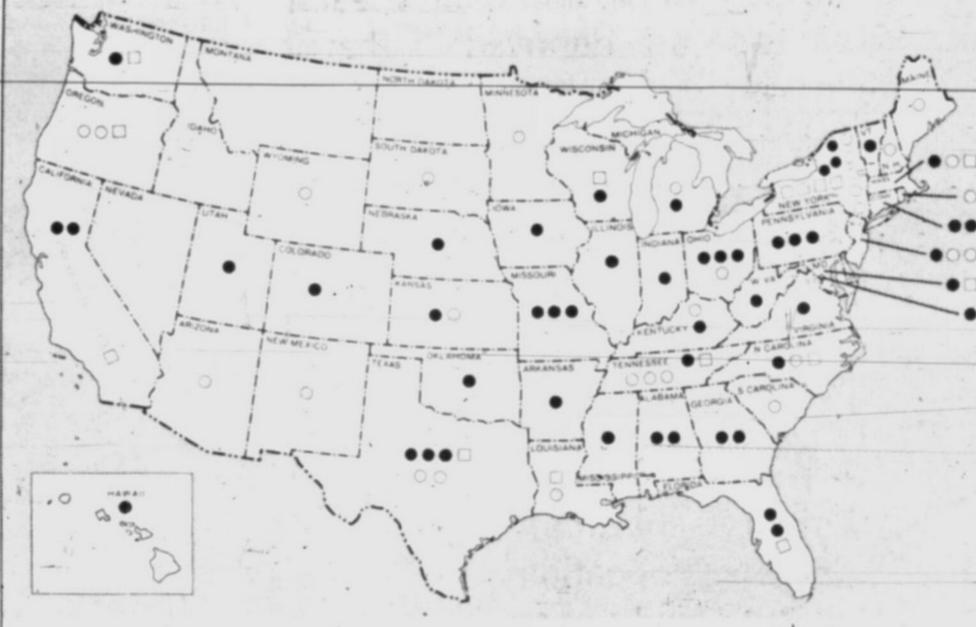

You can help birth defect children open their window to the world by supporting March of Dimes programs of research, medical care and education.

SHOWING HIS birthday suit is Baron Hallmus of Miami, Fla., as he cuddles in the arms of pediatrician Dr. Doralys Arias at March of Dimes-financed Birth Defects Center associated with University of Miami School of Medicine. When he was one day old, the tot had surgery for an open spine, and he's now doing quite well, as you can see.

That's the way it should be. Every child is entitled to a healthy start in life, but there are an estimated 250,000 American babies each year who are deprived of that precious birthright.

They are the babies born with defects. They are the babies you help by helping the March of Dimes fight birth defects through nationwide programs of research, medical care and education for the public and professions.

March of Dimes Birth Defects Center Network Expands

In charting its course against birth defects, the March of Dimes now finances 103 medical centers in a program begun in 1960 to help provide quality care for victims of these afflictions in all parts of the nation. The voluntary health agency needs funds to finance more Birth Defects Centers through public contributions during its traditional January campaign.

CHRISTIAN SCIENCE
(Sunday, Jan. 26)

"Lord, who shall abide in thy tabernacle? who shall dwell in thy holy hill? He that walketh uprightly, and worketh righteousness, and speaketh the truth in his heart." This verse, which is part of the Christian Science Lesson-Sermon titled "Truth," will be read in all Christian Science churches this Sunday. At Cambridge First Church Christ, Scientist, Waterhouse st. at Mass. ave., services will begin at 10:45 a.m.

From the denomination's textbook Science and Health with Key to the Scriptures by Mary Baker Eddy, one of the related passages to be read is the following: "The question, What is Truth, is answered by demonstration—by healing both disease and sin; and this demonstration shows that Christian-healing confers the most health and makes the best men."

NOTICE TO BIDDERS
Sealed bids are invited and will be received at the Purchasing Office of the Arlington Public Schools, Room 8, Junior High Industrial Arts Building, Academy Street, Arlington, Massachusetts until 10:00 o'clock A.M. on Tuesday, February 10, 1969, at which time and place they will be publicly opened and read for furnishing:

ART SUPPLIES, GENERAL SCHOOL SUPPLIES, MIMEOGRAPH AND DUPLICATING SUPPLIES

for the Arlington Public Schools. All bids must be made upon forms supplied by the Purchasing Office. Bids must give UNIT and TOTAL cost of each item and must be enclosed in a sealed envelope marked on the outside "TENDERED ON SCHOOL SUPPLIES".

When awards are awarded to various bidders the amounts will be distributed among approximately sixteen places of delivery. All prices must be original building and must hold as quoted for forty-five days from the date that bids are opened. Prices must be written or written in ink. No price written in pencil will be accepted.

Bid list forms for bidding may be obtained at the Purchasing Office of the Arlington Public Schools, Room 8, Junior High Industrial Arts Building, Academy Street, Arlington, Massachusetts.

In order to properly evaluate the analysis of bids, it will be imperative that we have samples. The awards (on an item by item basis) will be determined by the availability of samples, low price, and delivery.

Bidders must give the approximate shipping date in place so designated on bid. We do not wish numerous small items coming in months after the original shipment.

The right is reserved to accept or reject any or all bids, to divide the award, or to accept the bid deemed to be in the best interests of the Town of Arlington.

APPLE

Yellow Submarine
Another Apple creation, this one containing selections by the Beatles, plus original music from their most successful flick "Yellow Submarine." Beatles' tracks include, "Yellow Submarine," "Hey Bulldog," "It's All Too Much" and "All You Need Is Love." Movie tracks were composed and orchestrated by George Martin, producer of the Beatles' records. They are, "Pepperland," "Sea of Monsters," "March of the Meanies" and "Yellow Submarine in Pepperland." Listen as the Beatles win over the Blue Meanies.

CAPITOL

The Seekers Live!
A groovy happening LP by the Seekers recorded live during their appearance at the popular London nightspot "Talk of the Town." For seekers of listening pleasure they have sounds as, "Music of the World A Turnin'," "I'll Never Find Another You," "Morningtown Ride" and "A World of Our Own." This talented Australian group continues to pour out the good sounds on side two with, "The Olive Tree" a pretty song, "The Carnival Is Over" and their smash "hit" of, "Georgy Girl." Satisfying sounds by the seekers.

CORAL

Buddy Holly—GIANT
Reminisce with the sound of the late, great Buddy Holly, a singer whose fame is now a legend, and his style of music adopted by many artists. The LP features tunes by Buddy that were made from old tapes, and even home-made tapes. The memories are, "Good Rockin' Tonight," "Blue Monday," "Have You Ever Been Lonely," "You're the One," "Deardest," "Smokey Joe's Cafe" and "Holly Hop" an instrumental. A great album that is definitely a collector's item by Buddy Holly, truly a giant.

BRUNSWICK

Young-Holt Unlimited—Soulful Strut
The Young-Holt Unlimited is currently enjoying the "sweet smell of success" with their hit recording of "Soulful Strut," after which this LP is titled. To this they have added ten tough tracks as, "Who's Making Love," the pretty "Please Sunrise," "Please" and "What Now My Love." Flip side satisfaction is in the form of "Little Green Apples" a fantastic sound, "Funky Is As Funky Does" and "Love Makes a Woman." Their blend of jazz and soul indicates for Young-Holt there is no musical limit.

STEED

Andy Kim—Rainbow Ride
A dozen selections on Andy's newest album, with nine of the songs written by him. He opens with his current single and LP title tune, "Rainbow Ride." This is followed by, "Please Be True," "Baby While You're Young" and "I Want You" to fill side one. Side two rainbows have, "Mr. Music Man," "I Wonder If I Care As Much," "Wonderful You" and "Gee Girl." Let Andy take you on a Rainbow Ride and hear all the pretty colors.

DYNOVOICE

The Bermuda Jam
The sound of a fine new group titled The Bermuda Jams, consisting of four young musicians from four corners of the world. Their sound is pleasant and easy-to-listen-to. Among my favorite cuts are, "Hold Me," "Forever," a ballad sound, "Good Trip Lollipop" an actual experience, and "Forever Young." The Jam spreads on two with, "I Want to Love You," "Easy to Say," followed by a ten-minute medley of four tunes, including, "Don't Fight It" and "I Who Have Nothing." The Bermuda Jams is . . .

INTERNATIONAL

Peggy Scott & Jo Jo Benson—Soulshake
With two good sized hits under their belts, "Lover's Holiday" and "Pickin' Wild Mountain Berries," Peggy and Jo Jo have put them in an LP along with other goodies. The swinging sound of the title song, "Soulshake" starts things off. They follow with, "We Were Made for Each Other" a good ballad and then, "Blow Your Mind." They groove on two with, "Doin' Our Thing," "Love Will Come Sneaking Up On You" and complete it all to the ballad beat of, "If That's the Only Way," Peggy & Jo Jo upright.

HII Bill Black's Combo— Soulin' the Blues

The amazing Bill Black who has turned out successful albums for nearly a decade now, is back with another fine effort. The twelve grooves contain selections as, "Hoochie Coochie," "Blue Shadows," "Prowlin'" and "No Time." More grooves to move on side two with, "Birds ahd the Bees," "Spoonful," "Mrs. Neil B." and end with, "Last Train." Bill and the Combo putting soul into the blues. Whole lotta goodness.

EPIC Tammy Wynette— Stand By Your Man

Pretty and talented Tammy Wynette has won the hearts of many with her smash recording of "Stand By Your Man," and seems sure to add more fans to that list with the songs on her new album. Along with her hit are such country-flavored tunes as, "It's My Way," "Forever Yours," "I Stayed Long Enough" and completes side one with, "It Keeps Slipping My Mind." Two has, "I've Learned," "Cry, Cry Again," "Joey" and "If I Were a Little Girl." She tears at your heart with songs that say something.

VMC

The Pacific Ocean
An exciting new group with an exciting sound. Their album is chock full of goodness that includes some former hits done over in Ocean-style. Past hits are, "Sixteen Tons," "Tracks of My Tears," "Ninety-Nine and-a-half," "Mickey's Monkey" and their recent single "I Wanna" Testify." Others are, "Road to Hell," "My Shrink" and "I Can't Stand It." This group's popularity will extend from the Pacific to the Atlantic Ocean.

COLUMBIA

Al Kooper—I Stand Alone
Turn on to the sayin'-some-thin' sounds of Al Kooper with his latest entitled "I Stand Alone." Stand alone he does—he produced this album along with performing on it, and having written several of the selections. Fill your head with tracks as, "I Stand Alone," "Camilie" and "Coloured Rain." Flip over and flip out to, "I Can Love a Woman," a real knee-slapper "Blue Moon of Kentucky," and two soulful efforts, "To Hold" and "Hey Western Union Man." The multi-talented Al Kooper.

Taj Mahal—The Natch'l Blues

If you dig the blues you're in for a big treat when you listen to this album. Nine blues-infected tracks as, "Good Morning Miss Brown," "Corinna," "I Ain't Gonna Let Nobody Steal My Jelly-roll" and "Done Changed My Way of Living" fills side one. Side two blues have, "The Cuckoo," "You Don't Miss Your Water" done in a great way, and close with "A Lot of Love." A fine album with a lot of good stuff inside.
